

Forestland Beautification Cleanup Day!

Restore the Forest on Nov. 3, 9:30 AM-1 PM

(Registration is requested by 12 noon, Nov. 1 - see below.)

Join CleanScapes autumn community cleanup event to remove litter & tires from the forested hillside adjacent to Stewards Run Creek in Piatt Township, Lycoming County.

1. Terrain is mixed-flat, moderate & steeply sloped.

2. Long sleeved shirt, pants, hat & jacket are recommended.

3. Tick/bug spray repellent, gloves, and trash bags provided by CleanScapes.

4. Pizza 2 Go luncheon & refreshments provided to all registered participants!

Driving directions & meeting location will be provided after you register with Clinton County CleanScapes.

Volunteer Cleanup Opportunities

1. Land Support Team. Gather discarded trash & tires or help load the items into roll-off dumpsters. Closed toed shoes are mandatory. Goal: Remove 75+ tires & bag 2 tons of litter.

2. Photographer. Documenting the event is very important & fun! Bring your camera & take photographs or short video clips of the volunteers in action. Email the photos/video to CleanScapes.

LHU registration is requested by 12 noon, Nov. 1. To register for this event or if you have questions, contact LHU's Student Activities Office (PUB) Morgan Capobianco at mpc7999@lockhaven.edu, or 570.484.2499.

All other registration & questions contact CCC Project Director Elisabeth Lynch McCoy by 12 noon Nov. 1 at clintoncountycleanscapes@yahoo.com or 570.726.3511.

Financial support for this project is provided by: The Roscoe M. & Edith M. Wolf Fund at the First Community Foundation Partnership of PA, the Dominion Energy Charitable Foundation which is dedicated to the economic, physical and social health of the communities served by Dominion Energy companies & their grant program is administered by the Western PA Conservancy in commitment to its core mission of conserving PA's diverse ecosystems through science-based strategy, leadership & collaboration, & the Clinton County Community Foundation.
